OBJECTIVE: I am seeking a position as a **Data Analyst** with an established company that will allow me to utilize and further develop my problem solving and critical thinking skills.

EDUCATION

University of Houston-Downtown, Bachelors of Arts Degree in Mathematics with a concentration in Secondary Education. Degree conferred December 2016.

WORK HISTORY

Data Analyst/Client Relations Advisor, Quest Integrity Group 2019-Current

- Provide comparative analysis between different inline inspections and generate quality reports for clients.
- Statistical analysis of inline inspection data for reasonable future behavior of operator assets.

Data Analyst, Quest Integrity Group 2018-2019

- Process and analyze ultrasonic data acquired during an inline inspection.

Mathematics Instructor, Lone Star College-North Harris Spring 2017

Mathematics Tutor, Lone Star College-Kingwood 2016-2019

- Provided students with assistance in the various mathematics courses that were offered at the campus.

Peer Tutor, Mathematics and Statistics Lab, University of Houston-Downtown Fall 2016

- Tutored students on a walk-in and appointment basis with various mathematics courses.

Supplemental Instruction Leader, University of Houston-Downtown 2015-2016

- Served as a Supplemental Instructor, assisting professors to create worksheets and learning activities for students.
- Created test reviews for students and facilitated while students were participating in review activities.
- Delivered content to students when professor desired or was not present.
- Worked with the Student Transition and Retention (STAR) Program and instructor to ensure that students were prepared to take the Texas Success Initiative Assessment.
