UNIVERSITY OF HOUSTON – DOWNTOWN (UHD)

Registrar's Office	One Main Street	http://www.uhd.edu
(ph): 713-221-8999	Houston, Texas 77002	Title IV Code: 003612
(fax): 713-223-7438	uhdrecords@uhd.edu	FICE Code: 012826

Accreditation
The University of Houston – Downtown (UHD) is accredited to award Bachelor's and Master's degrees by the Commission on Colleges of the Southern Association of Colleges and Schools.

History
In 1974, the University of Houston System took over the assets of South Texas Junior College. All coursework represented on a UHD transcript prior to the fall semester of 1974 was earned at South Texas Junior College. In 1979, the Texas Legislature granted the University of Houston Downtown College status as a freestanding academic institution under the Board of Regents of the University of Houston System. In 1983, the institution's name was changed to the University of Houston – Downtown (UHD)

Academic Credit/Calendar
The unit of credit awarded by UHD is the semester credit. UHD operates the academic calendar based on the semester term. Semester credits are awarded during the following established terms: Fall and Spring (16 week), Summer I, II, and III (5-8 week). Other terms may be periodically approved and utilized, such as the Winter Term or May Term (3 week).

Grading Scale
UHD operates on a 4.0 grading scale. The grade point average (GPA) is determined by dividing the total quality points by the total number of GPA credit hours earned.

Included in the calculation of the GPA:			*NOT included in the calculation of the GPA*		
GRADE		Q. PTS.	GRADE		Q.PTS.
A	Superior	4.00	A*	Non-credit grade	0.00
B	Above Average	3.00	B*	Non-credit grade	0.00
C	Average	2.00	C*	Non-credit grade	0.00
D	Below Average	1.00	I	Incomplete	0.00
F	Failure	0.00	IP*	In progress	0.00
			W	Withdrawn	0.00
			S	Satisfactory	0.00
			U	Unsatisfactory	0.00
			AUD	Audit	0.00
			CA	Credit Awarded	0.00

Repeated Courses
UHD has operated under various repeat rules. Effective the spring semester of 1994, when a course is repeated only the most recent grade received in the course will be used in computing the grade point average. This excludes courses repeated prior to Spring 1994. In the column marked "R", repeats that are included in the GPA are marked "I", those that are excluded are marked "E".

Codes and Abbreviations
The following are codes commonly found on the transcript and their definitions:

SUBJ	Subject	GRD	Grade	Ehrs	Earned Hours
CRED	Credit(s)	GPA-Hrs	GPA Hours	R	See "Repeated Courses"
NO	Course Number	PTS	Quality Points	I	See "Repeated Courses"
CC	Core Category	QPts	Quality Points	E	See "Repeated Courses"

Course Numbering System
All course numbers are four digits, the first representing academic level (1=freshman, 2=sophomore, 3=junior, 4=senior, 5=postbac, 6=master's) and the second digit representing the credit-hour value.

Academic Amnesty Program
Undergraduate students may elect under the Academic Amnesty program to have all academic coursework completed four or more years prior with a grade of 'D' or 'F' at UHD to be removed from consideration for degree candidacy. In the column marked "R", those grades that are excluded are marked "E".

Fresh Start Program
For students who are approved to be admitted under the fresh start program, the university shall not consider academic course credits or grades earned by the applicant ten or more years prior to the starting date of the semester in which they seek to enroll. In the column marked "R", those grades that are excluded are marked "E".

Academic Standing: Probation/Suspension
A student is placed on academic probation at the end of any term in which his or her cumulative GPA falls below the specified minimum cumulative GPA as shown below:

Semester Hours:	Cum. GPA Minimum:
1-29	1.70
30-59	1.90
60+, or declaration of major	2.00

A student who is not making satisfactory progress toward meeting graduation requirements may be placed on academic suspension if the record does not improve.

State of Texas Common Core
The State of Texas has established a "general education core curriculum" for public institutions as of Fall 1999. Coursework which has been completed in a designated core category will be notated on the transcript as follows:

010 – Communications	040 – Humanities	070 – Political Science
011 – Speech	050 – Visual & Perf. Arts	080 – Social/Behavioral Science
020 – Mathematics	060 – History	090 – Institutional Option
030 – Natural Sciences		

The completion status of UHD's general core curriculum will be indicated on the transcript as follows:
Complete Common Core: YES   Complete Common Core: NO

Texas Success Initiative (TSI)
The TSI status of all students is printed on the transcript. THEA (or alternative) scores are printed for each section with the date of the attempt. Exemptions are also noted for each section. TSI satisfaction at another institution is indicated by the name of the school being printed for the appropriate section.

Course Drop Limit – TEC 51.907
Effective Fall 2007, undergraduate students enrolled at the University of Houston-Downtown are not permitted to drop more than six courses. The six drop limit includes any course a transfer student has dropped at another institution of higher education, per section 51.907 of the Texas Education Code.

SERVICE LEARNING COURSE DESIGNATION
Service learning is a teaching and learning strategy that integrates meaningful community service with instruction and reflection to enrich the learning experience, teach civic responsibility, and strengthen communities (Learn and Serve America National Service Learning Clearinghouse). Service-learning aims to connect the personal and intellectual to help students acquire knowledge and a useful understanding of the world, build critical thinking capacities, and perhaps lead to fundamental questions about learning and about society and to a commitment to improve both.

ACADEMIC ACHIEVEMENT THROUGH COMMUNITY ENGAGEMENT
Focusing on critical thinking skills using community issues/engagement
